

BECOME A PARTNER 2024

GIVE HOPE WITH YOUR DONATION.

YOUR CONTRIBUTION

Help us to work together with local people on sustainable solutions to promote peace even in the most difficult regions of the world.

As a partner company, you can support us in 2024 with a donation of €1,000 or more. With any amount above this, we can bring hope to even more people - so we would be delighted if you could make your donation according to your means.

HOW YOUR DONATION HELPS

1,000 € of your donation becomes 10,000 € and can supply a district hospital with solar power.

10,000 € of your donation becomes 100,000 €, which can be used to build a school for more than 500 children.

VISIONHOPE

Vision Hope helps people in the MENA region to improve their lives through sustainable projects. Our work is to strengthen communities, groups and individuals by promoting their own abilities. In doing so, we recognize the culture of our counterparts and celebrate their diversity. This is the only way for us to contribute to the improvement of entire communities.

VISION HOPE

- ◆ Has been active in the MENA region for more than 20 years
- ◆ For every euro donated, we receive an additional 9 euros from public funds
- ◆ More than 92% of the donations are used directly in the projects

Note: Due to our values and principles, we reject financial support from some industries, including the arms and tobacco industries. If you have any questions, please do not hesitate to contact us.
